Experience Family Time with your Clarington Public Library!

February 4, 2013—Clarington Public Library has been busy planning events for you and your family this Family Day long weekend. Saturday, February 16th features their 10th annual Winter WonderLearn festival from 10:00 a.m. to 2:00 p.m., and Ronald McDonald™ will be visiting the Bowmanville Branch on Monday, February 18th at 10:30 a.m. to perform an interactive storytime session, Reading with Ronald.

For the first time, Bowmanville Branch will be open regular hours on Family Day (10:00 a.m. to 9:00 p.m.) to give families a chance to enjoy the Library together. “We are very excited to be open Family Day to host Reading with Ronald.” says Gail Rickard, Clarington Public Library Board Chair. “We are also proud to partner with local organizations again this year to facilitate Winter WonderLearn. We want families to think of the Library as the go-to place for family fun, especially this long weekend.”

Families are welcome to attend the events below; registration is not required:
