

English Class: Emoji Stories!

Can you retell a story using only emojis? Choose a short story you know well (hint: try fairy tales from Overdrive or hoopla!), and try to re-tell it using only emojis!

Choose a story to retell, considering the setting, characters, and key plot points! If you need to refresh your memory, check Overdrive or hoopla for a version of your story!

Write down the different **settings, characters, and plot points**. Choose an emoji, or combination of emojis, that will represent them!

Draw them out! Tell your story by drawing (or typing) the emojis out in order, going through the plot in the same order!

Quiz your friends and family by sending them the emojis! Can they guess the story you were telling?

Challenge yourself! Can you guess what story we told with the emojis below?

Answer: The Three Little Pigs
