Clarington Public Library and Lange's Foto Source Photo Competition

March 22, 2012—Clarington Public Library has joined forces with local photo shop Lange's Foto Source in a photo competition. Based on community feedback, the winning photo will be featured on the cover of the Clarington Public Library Guide and the winner will also receive a framed copy of their photo, compliments of Lange's Foto Source.

The competition will run each quarter. To be eligible, photos must be seasonal (i.e. winter, spring, summer, fall), feature Clarington, be of high enough resolution for printing, and be in portrait format, or have the ability to be cropped into portrait format. Photos must be submitted electronically. Winning photographs will be determined based on the number of votes received via Lange's Foto Source Facebook Page.

The deadline for the Summer Guide is fast approaching! To see your photo on the Summer Library Guide cover, submit your photo to Lange's Foto Source by April 1st. Visit the Library's website at www.clarington-library.on.ca/photocompetition for full contest details.
