

French Practice: L'Alphabet!

Practice reading and speaking in French by creating your very own alphabet story.

Read or listen to a bilingual book, to practice reading and pronunciation in French. Check [hoopla](#) or [Overdrive](#), and sort by French language!

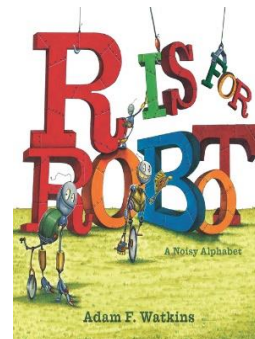

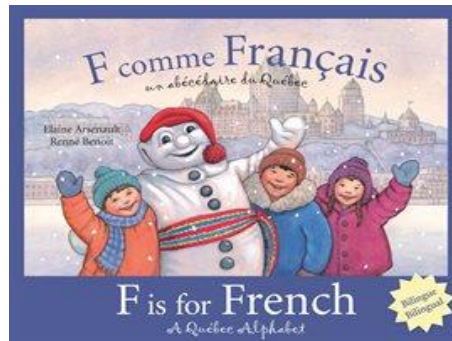

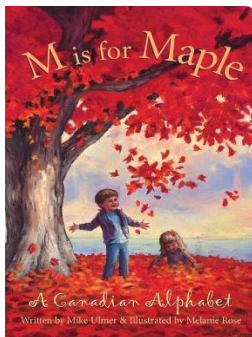

Check out *F comme Français* on [hoopla](#) to see an example of an alphabet story.

Try making your own alphabet story! Make your own book, or we've provided a chart – write a French word for every letter of the alphabet, and draw a picture to match!

Be a poet and try making short rhymes with your French words.

Want more?

Try making an alphabet with a theme! Can you come up with a food alphabet, with a French word for every letter of the alphabet, or any theme you like! Search for "alphabet book" on [hoopla](#) or [Overdrive](#) to get ideas.
