# Origami Bookmark!

## Step 1:

Cut a piece of paper into a square. This is a 15 cm by 15 cm piece but any size square will work.

## Step 2:

Fold it in half so it becomes a triangle.

## Step 3:

Fold the right corner over to meet the bottom corner. Press down on the edges as you go.

## Step 4:

Fold the left corner over to meet the bottom corner.

## Step 5:

Unfold your sides.

## Step 6:

Fold up the bottom corner to the top crease.

## Step 7:

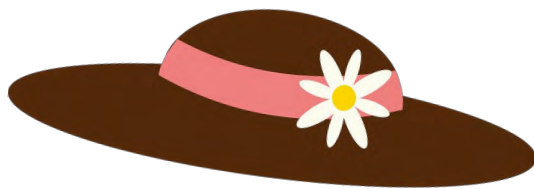

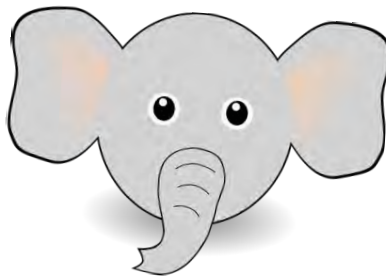

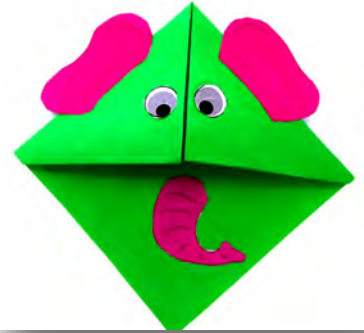

Using the crease you made earlier, fold the top right corner and tuck it under the flap.

## Step 8:

Fold the top left corner and tuck it under the flap too. And now you're done!

Now you can decorate your bookmark!!
